

Infusion Pharmacy Experts.
Simplified Reimbursement.

Prochant specializes in all phases of the pharmacy revenue cycle, helping you to navigate the process from start to finish.

Prochant's experienced pharmacy reimbursement professionals understand the complexities of the infusion revenue cycle process – from eligibility to coding and billing to collections – and can help you navigate the process from start to finish.

Whether looking for startup help, interim solutions, project assistance, or complete outsourcing, we can help. We specialize in all phases of the pharmacy revenue cycle, including benefits verification, prior and continuing authorizations, billing, collections, and cash posting.

From the time you receive a referral, until your payment posts, and everything in between, our experts will provide tailored solutions to meet your specific needs.

LET YOUR STAFF FOCUS ON OTHER TASKS

Is your organization experiencing any of the following challenges?

- Old A/R getting older
- Challenging accounts or payers
- Lacking experienced insurance collectors
- Auditing concerns from Medicare or other payers
- Needing another set of eyes to look at billing

Our solution experts offer clean and accurate billing to reduce your DSO. In addition, we provide comprehensive audit preparation and review that will ensure compliance with all applicable payer

requirements. This allows your staff to focus on the most critical elements of your business.

Staff Augmentation

Let our staff provide a solution for your staffing or interim management resource needs.

Full Service Billing

To allow you and your staff to focus on what matters most, our team of experts can effectively manage your billing function.

CONSULTING SOLUTIONS

Data Analysis

Accurate data analysis is crucial to your business. Let our team conduct a comprehensive review of your financial reports and provide a thorough business analysis to improve financial outcomes.

Reimbursement Review

Organizations are always looking for ways to improve. Our team reviews your organizational structure, policies, and procedures and provides a written report of your staff and management teams.

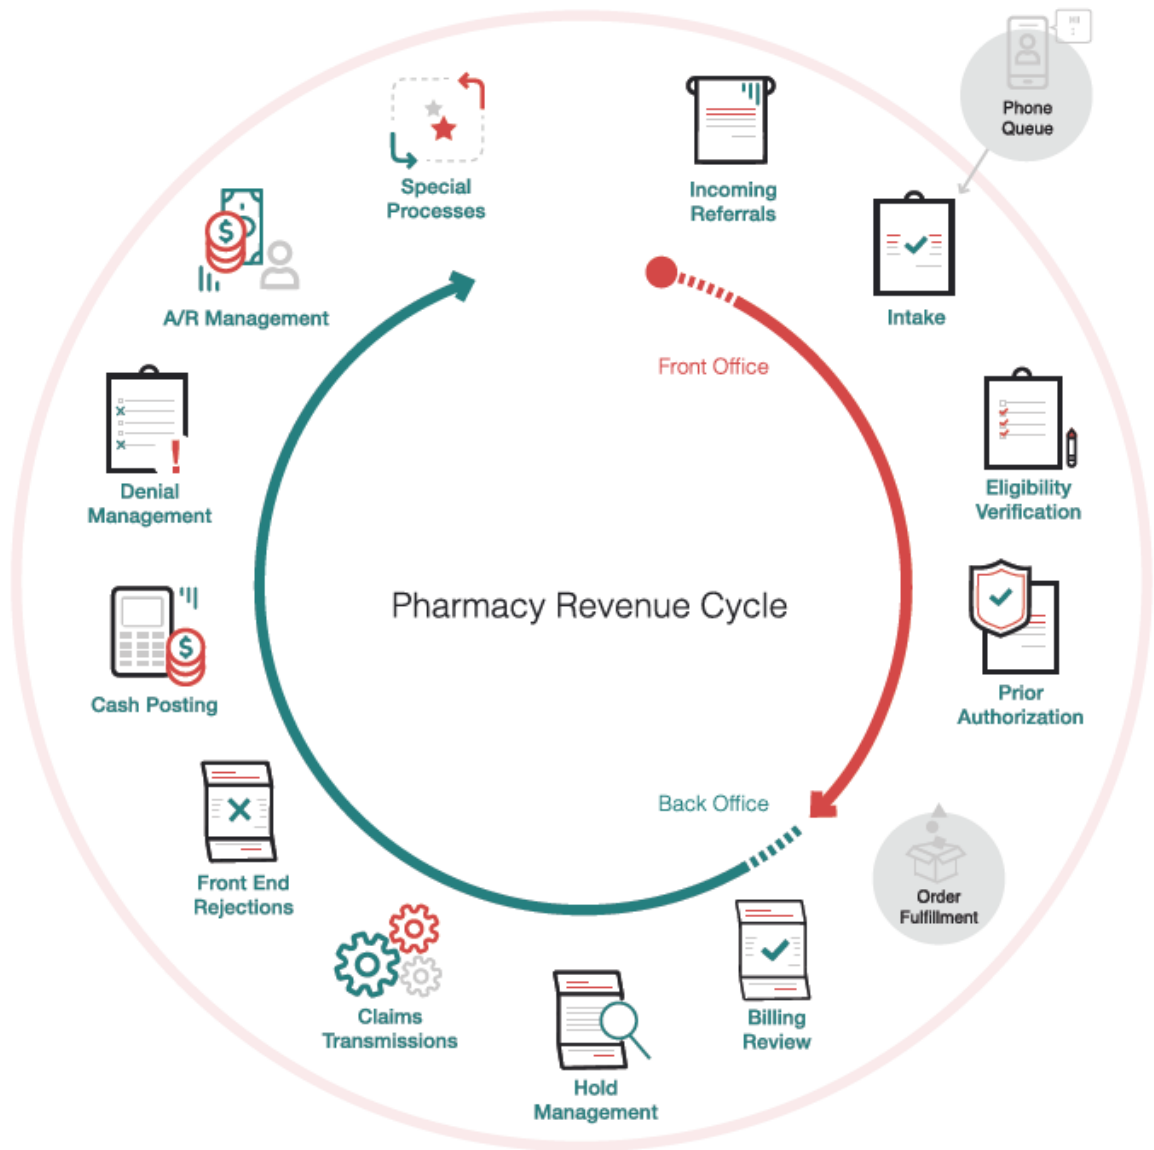

We also offer recommendations for improvement, including performance-boosting solutions.

Policy and Procedures Development

We conduct a review of your current policies, procedures, and processes. Our team then crafts new guidelines to meet your specific needs.

Grow your bottom line with proven results:

- Reduce bad debt to 3% or less
- Cash-to-net revenue results of 97%+
- Maintain or lower DSO below 50 days

prochant's Solutions

Prochant has solutions for all pharmacy revenue cycle processes except: Phone Queue, Refills, and Order Fulfillment.
